MONTHLY FAITH DIALOGUE EVENTS

Monday 20th December 2010 6.45pm to 9pm

FAITH says... About CULTURE

The Manchester Cathedral, Victoria Street,
Manchester, M3 1SX

How does Faith influence Culture?

How does culture impact on people of Faith?

The event is open to people of all faiths and none. It would be helpful if you could email us by 17th December if you will be attending to mail@fn4m.org

There is a ground rule of respect for others opinions, even when in disagreement.

The main purpose of the dialogue sessions is to learn from each other and work towards further joint ventures.

Please attend if you are able and pass this information on to your colleagues and friends.
